

# Amity Got Talent Newsletter

Amity Global School-Gurgaon, organized "Amity Got Talent" to spotlight the students' unique talents by giving them a stage to showcase their skills. It gives them the agency to take ownership of using their skills to confidently plan, practice, and perform in front of an audience. Through this newsletter we are sharing with pride some glimpses of the performances done by our students. Let us put our hands together to celebrate all our students for who they are!!!
