

CHILD PROTECTION POLICY

MISSION STATEMENT OF AGS GURUGRAM

Our mission is to nurture young minds through a sound educational programme which is sensitive to the multicultural ethos, so as to create caring and socially responsible individuals. The school promotes and ensures that each student has ample opportunities to be an impressive communicator, a keen inquirer and one who enhances his/her academics, social and sporting skills, thereby developing into a well-balanced personality.

Nothing is more important than the safety of our children. When they are safe and happy, they learn and thrive. AGS, Gurgaon (AGSG) in keeping with our core values and vision statement, has a Child Protection Policy to guide our staff and parents in matters related to the health, safety and care of children attending our school.

When parents enroll their child at AGSG they agree to work in partnership with the school and abide by the policies adopted by the school management.

At AGSG, keeping children safe is everyone's responsibility.
