MISSION STATEMENT OF AGS GURUGRAM

Our mission is to nurture young minds through a sound educational programme which is sensitive to the multicultural ethos, so as to create caring and socially responsible individuals. The school promotes and ensures that each student has ample opportunities to be an impressive communicator, a keen inquirer and one who enhances his/her academics, social and sporting skills, thereby developing into a well-balanced personality.

COMPUTER USAGE RULES FOR AGS STUDENTS

Students of grades 9-12 are being given the privilege of using their laptops on our school wi-fi system. This is a privilege and must be followed according to specific guidelines given below.

- Your laptops are your personal property and AGS takes no responsibility for any damage or theft of such property.
- All submissions to teachers and staff will be sent from your AGS school e-mail id.
- You will not use our wi-fi system to download illegal, immoral or otherwise inappropriate material in your laptop.
- You are expected to use your laptop for schoolwork only. Private use (music, You-tube, etc) is not permitted in school.
- You will ensure that any sound from your laptop will not disturb others.

Inability to follow the above guidelines will lead to the following consequences.

- For the first instance: Meeting with the Programme coordinator
- For the second instance: Meeting with the Principal
- For the third instance: Meeting with the Principal, Programme coordinator, parent.
