Whispering Trails Adventure Camp

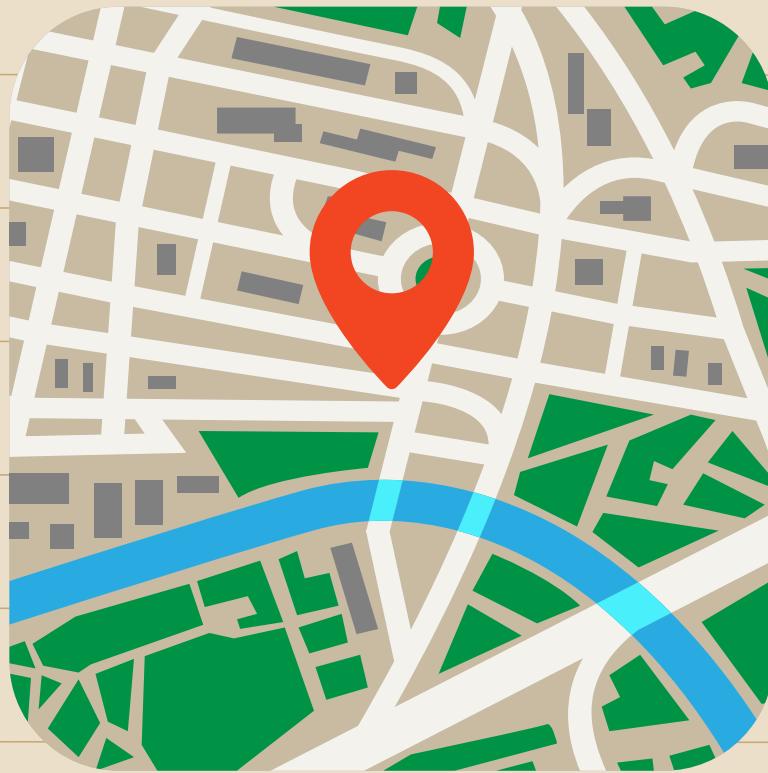

Camp Grades 5 - 8

Destination Overview

Students of Grades 5 to 8 participated in an enriching experiential learning programme at Camp Sariska from 26th to 27th November 2025.

Nestled within the scenic landscapes of the Sariska Tiger Reserve, the camp offered learners a unique opportunity to connect with nature. They engaged in exciting adventure activities, explored the local surroundings and strengthened their bond with peers. Through collaborative tasks, they demonstrated open-mindedness, valued teamwork and discovered their individual strengths. The experience encouraged them to step out of their comfort zones, helping them grow into confident and responsible individuals.

Students were oriented about camp guidelines, safety measures and the exciting activities planned for them.

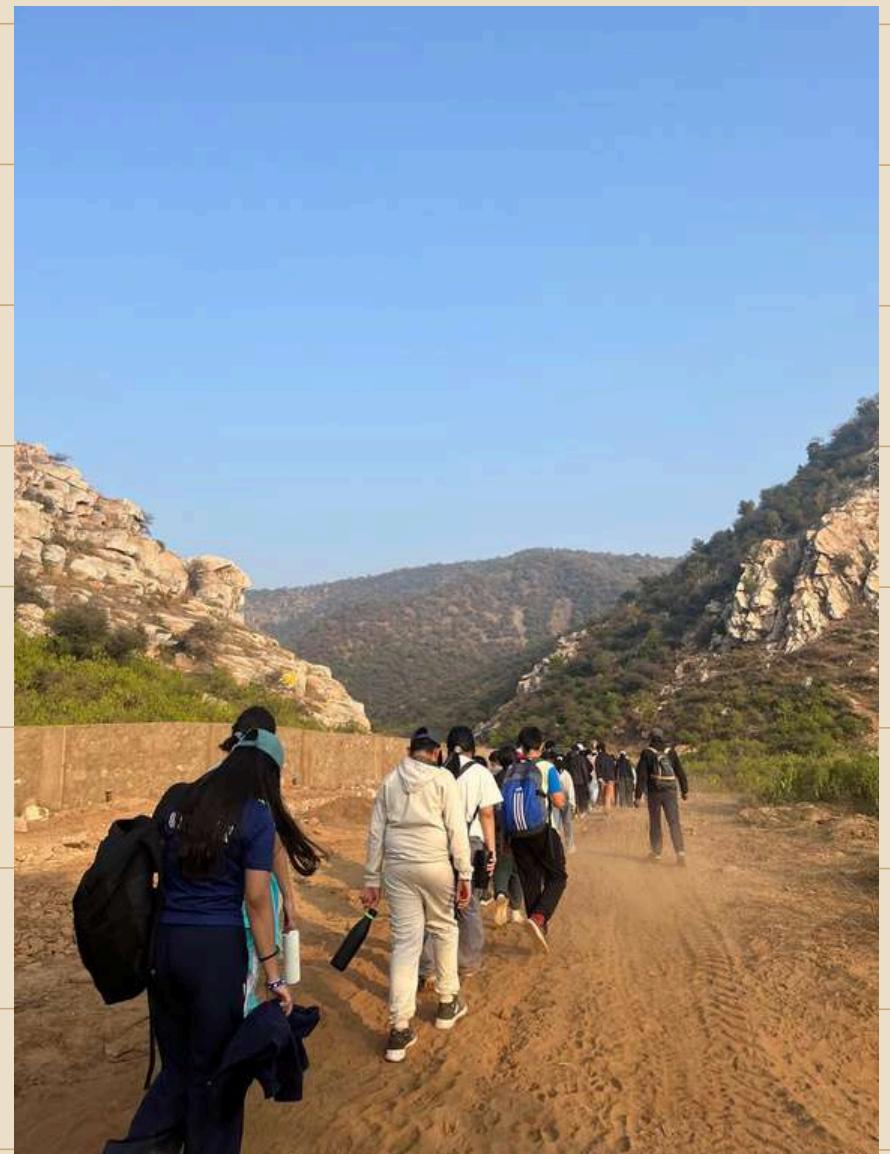

Young learners take on the wall climbing and zip lining challenge.

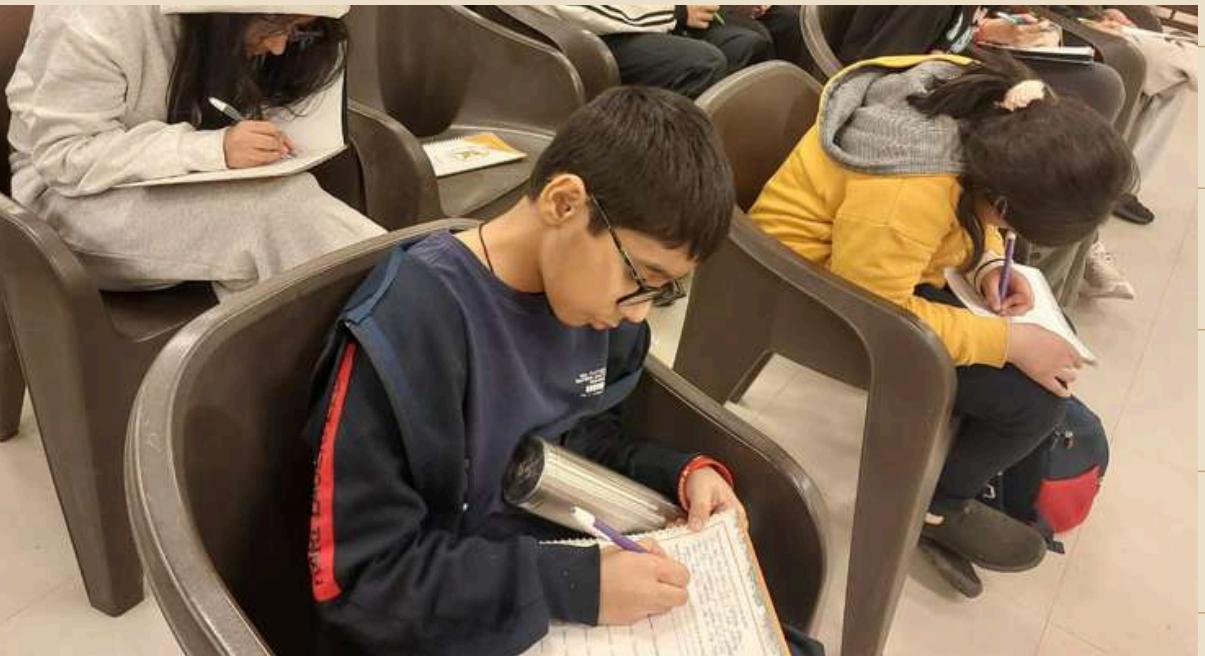

Learners master **essential knot-tying skills and tent making challenge.**

Students navigate the obstacle crossing with enthusiasm.

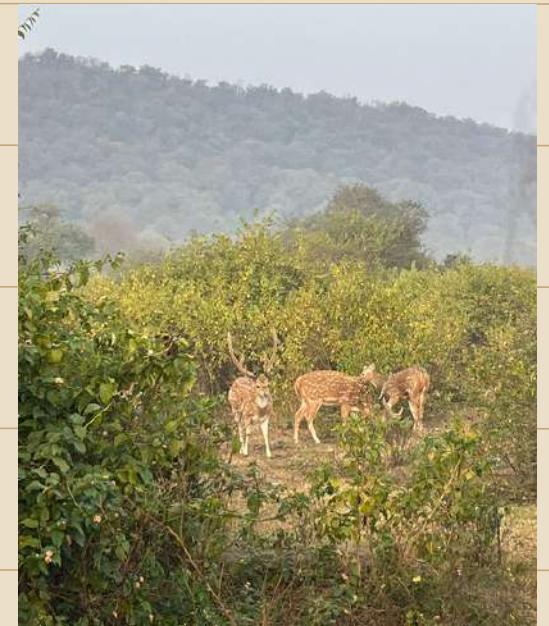

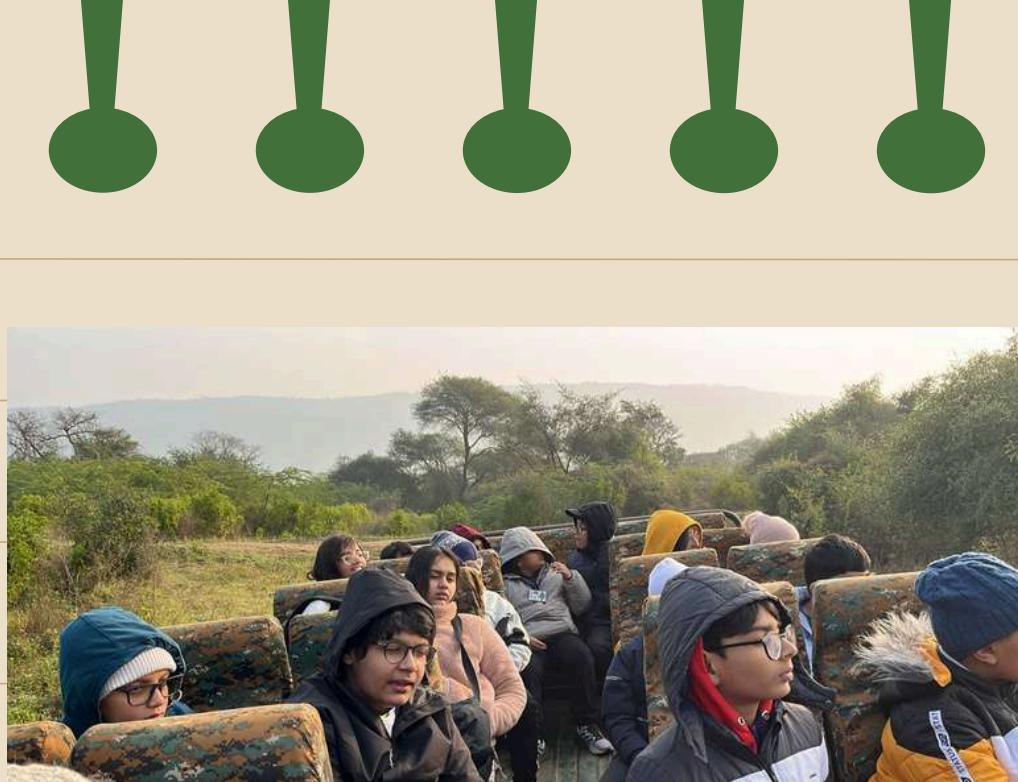

Learners explore the outdoors on a Nature Walk.

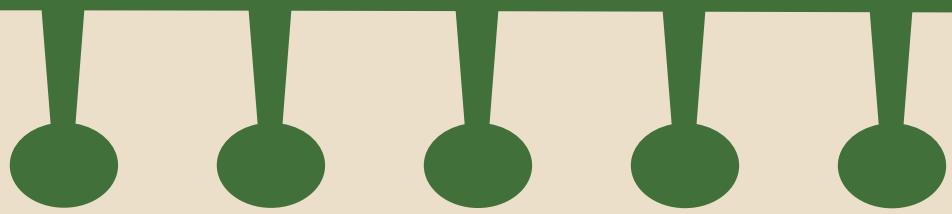

Students unwind with reflection and a warm bonfire.

Students enjoyed delicious meals throughout the camp.

Stunning wildlife moments and landscapes from the Safari Experience.

Award for Best Journal
presented to
young reflective writers.

Students appreciated for
setting up the best tent.

Best Camper Awards to
celebrate exemplary participation.

Students wrap up their journey with celebratory felicitations.
